

# I am I

THE Ultimate Answer to THE Existential Reality Question

## Older Who am I? I am I ... book Versions

*Last updated on 20th Sept. 2018*

**Changes made in Who am I? I am I ... book version/date 21st June 2018 on base of earlier Who am I? I am I ... book version/date 17th June 2018:**

- 1) ISBN entry in Verso page of e-book is specified as "Not used for this book so far (21st June 2018)". Note that Paperback book now has ISBN 978-93-5311-521-0 in its Verso page. Paperback book inner contents is not provided as free download to prevent confusion between e-book and paperbook inner contents book.
- 2) Book back cover page picture of Paperback book was modified to include ISBN barcode image. That involved some other changes to bottom part of back page to make room for the ISBN barcode image. As of now, e-book does NOT have ISBN though I have applied for it on 19th June 2018. So the latest (21st June 2018) back page picture of Paperback book was modified to have a blank area in the ISBN barcode image position, and that has been used as back page picture for this e-book.
- 3) Blue color hyperlink of email in Verso page changed to normal text.

The pic linked above is a composite one. The separate component pics used to create a lower resolution and lower DPI version of above pic (which was upgraded to higher DPI and resolution using GIMP software) are given below. If the above pic does not fit the dimensions (e.g. thickness) of the printed inner contents of the book, then the components below may help to easily create a new full cover pic that fits the dimensions (e.g. thickness) of the printed inner contents of the book. However the resolution and DPI of these component pics will have to be increased (e.g. by using GIMP) to meet the higher quality of above pic.

**Changes made in Who am I? I am I ... book version/date 26th April 2018 on earlier Who am I? I am I ... book version/date 24th April 2018:**

- 1) Page 1 (in Black & White inner contents document) date changed to 26th April 2018
- 2) In the post article, "Divine revelation gems from Chandogya Upanishad: Chapter 6 (Dialogue between Uddalaka and Svetaketu)" adding the following paragraph:

My comments on the shlokas (verses) below have been strongly influenced by a near-contemporary spiritual master's commentary on Chandogya Upanishad. As I want to emphasize spiritual teachings/paths/philosophy/knowledge which may be viewed as universal though I have used the Hindu way of expressing them, I have chosen not to mention the name of this near-contemporary spiritual master.

- 3) Minor formatting type changes without changing any text
